Hello Ben and Robert,

Please find attached the workplan for the soil excavation in association with the property located at 210 W. Slauson in Los Angeles, California. The schedule for this work is contingent on the removal of the existing building at 216 Slauson, and the acquisition of any necessary permits from the City of Los Angeles and SCAQMD.

If you have any questions with respect to this workplan, please feel free to call.

Thank you.
